

The NIOS

National Institute of Open Schooling (NIOS) has been set up by the MHRD, Govt. of India, as an autonomous body to cater to the Educational, Vocational and Training needs of school dropouts, working adults, and other prioritized groups up to pre-degree level. It offers complete schooling including Basic Education, Secondary and Senior Secondary Courses, and a host of Vocational Education, and Life Enrichment programmes. With the current enrollment of 2.78 million, it is the largest Open Schooling system in the World!

Vocational Education & Training

NIOS offers many Vocational Education and Training (VET) Programmes. These programmes are of six-months, one-year and two years duration and offered in different areas such as Agriculture, Business & Commerce, Computer & IT, Engineering & Technology, Health & Para Medical, Home Science & Hospitality Management, Teacher Education, and Secretarial Practice. The focus of the Vocational Education programmes of NIOS is to ensure opportunities for development of useful vocational skills. These programmes essentially includes skills to make the learners both employable and entrepreneurs.

Modalities for Vocational Programmes

The Vocational Education Programmes of NIOS are offered through Vocational Training Centres called AVIs (Accredited Vocational Institutes), which provide face to face learning opportunities as well as practical training to trainees.

Yoga Teachers' Training Programme

The Yoga Teachers' Training Programme is a certificate programme providing in-depth knowledge of yoga practices and pedagogy of yoga. The programme is open to all those who are interested to become Yoga Teachers, and is open for both Indian and foreign nationals.
