EASY SANSKRIT COURSE

ABOUT THE COURSE / COURSE OVERVIEW

As the name suggests, the Easy Sanskrit Course is a simplified initiation and foundation for beginners. keen to start their journey into the world of Sanskrit. It has been designed in a manner that anyone regardless of mother tongue and age will get acquainted with the salient aspects of Sanskrit language, without being unduly burdened with details and nuances that could overwhelm a beginner. The Easy Sanskrit Course is a stepping stone, and a very solid one at that, for learning the divine language, and will serve as a window for all those who want a basic initiation into the priceless tradition, culture and philosophy of India. Nor is it too fundamental, for the language structure itself is adequately covered in this along with the grammar rules that are germane to studying the language successfully at the advanced levels. The course teaches the alphabets, their formation, their declension and classification with rigorous practice lessons. The same pattern repeats for each of the grammar topics. Swami Ramakrishnananda who has designed this course, is a keen teacher of Sanskrit and has taught the language to several batches of students, so that he brings to this programme a keen perception of a new student's learning needs.
